**Gordon L Densmore : Waxing Humorific** before purchasing it in order to gage whether or not it would be worth my time, and all praised Waxing Humorific:

The Old Rhymester's at it again, Gathering up words to make them rhyme, On a variety of topics, And a little humor

this time. So, sit back and relax with this As you put on your smiley face. It's possible a hearty chuckle Or even a smile you could embrace. Let your heart be open to receive, A little joy instead of trials. Chase away your worries today. Take a large dose and smile awhile.
