Hank Hill : Wd-40 for the Soul: The Guide to Fixing Everything before purchasing it in order to gage whether or not it would be worth my time, and all praised Wd-40 for the Soul: The Guide to Fixing Everything:

0 of 0 people found the following review helpful. Great bookBy AlexGreat book really enjoyed it0 of 0 people found the following review helpful. Five StarsBy grammie Sgiven as a gift- my son- in- law had many chuckles over this!10 of 15 people found the following review helpful. More Help from the HeartlandBy A CustomerHank Hill's sophomore effort proves that he is going to be an author unlikely to disappear from the scene anytime soon.His first how-to book gave us his unique insights on child-rearing, and now he has broadened the horizons to give us his personal take on the day to day care for the redneck soul.With his straight-forward no-nonsense style, Hank comes through again, making WD-40 For The Soul a shoe in for the New York Times Bestseller list.Recommended as highly as I recommend George W. Bush for President, this book is a must read.

Book by Hill, Hank
