Sam Gross : We Have Ways of Making You Laugh: 120 Funny Swastika Cartoons before purchasing it in order to gage whether or not it would be worth my time, and all praised We Have Ways of Making You Laugh: 120 Funny Swastika Cartoons:

0 of 0 people found the following review helpful. I can never look at a swastika again without laughing! By hidden-smiles I can never look at a swastika again without laughing! I love all his work. This book is In the spirit of Lord Buckley's "Atomic Bomb" riff. 2 of 3 people found the following review helpful. appreciated the effort By Just Plain Lucky I applaud Gross for taking a shot at this topic. It is obviously a sore spot for many, but he was right to try and tackle it. Symbols are just symbols and they mean different things to everyone. They aren't good or bad on their own. That said, I thought Gross hit the mark on about half of these. A few were laugh out loud funny and a few I thought weren't very good. Definitely worth checking out, though.

Swastikas?" you ask. "Funny?" Well, sometimes funny. Gathered together in this outrageous, rueful, and often poignant collection of cartoons are one artist's extraordinary observations on the range of emotion that the controversial symbol has elicited for more than half a century. These witty, beautifully rendered images gleefully stomp through the darkest moments in history and remind us that humor can diffuse our unspoken fears and deflate an overwrought icon. The legendary S. Gross has been drawing for The New Yorker and other publications for more than forty years -- his talking cats, flying cows, and snails who have fallen in love with Scotch tape dispensers are some of the funniest and most recognizable cartoons in the world. We Have Ways of Making You Laugh is his most

heartfelt -- and hilarious -- book yet.
