Perfect for young parents who still want to visit with friends at a pub but come home to small children. This book is a parody for ADULTS and not meant for children.0 of 0 people found the following review helpful. Hubby loved it!By Julia LorsonHusband (and apparently all his Facebook friends) thought it was a terrific birthday gift 0 of 0 people found the following review helpful. Totally hilarious!!By Sharon WilkinsFor any parent who knows We're Going on a Bear Hunt, this is a MUST. The perfect gift combo for anyone with a young baby. The original for the child and this for the parents. It's gone down a storm with the two families I have gifted it to.

We're going on a bar hunt. We're going to find a cool one. The babysitter's booked. We're not old! Bestselling authors Emlyn Rees and Josie Lloyd also happen to be parents, so they understand the complications of organising a rare night out. In this parody of the famous children's book, two parents set off for a night on the tiles, and encounter a series of watering holes and bars before an alarming encounter with a 'bear' sends them running home to their children. Gillian Johnson is the author and illustrator of the successful *Monster Hospital* and *Thora* series for children. Her illustrations bring this story to life, gently parodying the original but adding an anarchic edge as the evening progresses. We're not going on a bar hunt again!

Josie Lloyd and Emlyn Rees' parody together with Gillian Johnson's fabulous illustrations make for a perfect book summing up the trials and tribulations of a rare night out for parents . . . leave it around for the babysitter to read and she might be a bit more understanding when you stagger in pretending to be sober! * Parenting Without Tears blog * It's very funny. If you're a parent who's ever attempted to leave the house after having kids then this is guaranteed to put a smile on your face. * Sonny and Luca blog * This parody of *We're Going On A Bear Hunt* Might Be The Best Book Title Ever.
