LOL2 of 2 people found the following review helpful. Fun Through AdventureBy B. KohlerRon Wiggins knows how to have fun through adventure. As a newspaper columnist, he has amused his readers with his derring-do. Weird Snacks is fun through adventurous snack concoctions. Many of the snacks were submitted

to his Web site [...], so there is a good variety of snacks. Two snacks that appealed to me are Roaches on a Raft (banana, peanut butter and chocolate chips) and Pecos Movie House Popcorn (dill pickle juice on popcorn). Weird Snacks is fun to read, and it's a great gift idea. 1 of 1 people found the following review helpful. WHAT R U EATING? By Dominic DiFrancesco It's hard to believe the things people put together and them EAT! But Ron Wiggins has dug into the minds and you could say the backs of their refrigerators to come up with what is one of the funniest books for FOODIES. These are quick no nonsense snacking ideas for those of us who do not have time to prepare or cook. Just open the door of your ice box and slap together several ingenious snacking ideas. Enjoy experimenting with some of the weirdest combinations of food know to man, and then admit YOU LIKE IT! Thanks Ron, Chef Dominic - dominicsdelights.com

Description: When desperate hunger, genius and audacity meet by the refrigerator's early light, the result can be impromptu food combinations that transcend yumminess and truly may be declared random snacks of genius.
