Because you are an adult now, you can't join the Trick or Treat anymore. But you can still be as happy. How? You ask. Just run your imagination and creativity by coloring this Book with Halloween Theme. While kids are knocking on every door and asking for candies, enjoy an Evening where you get to sit down and do a work of art without

restrictions. You can do anything that you want. You are LIMITLESS. Coloring is just one way to give yourself a calming time that you deserve. It is proven to be an effective tool for healing. It is fun, relaxing and it's an enjoyable way to express your creativity. And, it's an activity you can take part in whether you're 7 or 77 years old. When you color, you stop your mind from stewing on the past, or worrying about the future. And you actually don't even think about much but what you are doing. Be scared, be fascinated and just have fun with these 30 designs especially made for the Halloween. They have different set of characters being use a costumes in Halloween and some original ones that you've never seen before. The images are fun and whimsical - screaming to be filled with bright, vibrant colors. There is enough detail to make you want to pay attention, but not too much to make it difficult. The designs are printed only on one side of the page, so you don't have to worry about messing up a design on the back. Also provided are 2 free blank pages that you can cut out and use behind the page to avoid the ink from bleeding. If you wanted to try and find a few coloring books with nothing but Cats in them. Then this is the perfect coloring book for you. What are you waiting for? Settle into the moment, become centered, and be calm. What are you waiting for?
