I took a browse through myself before packaging it up to send off. She will love it. 1 of 1 people found the following review helpful. Four Stars By Amy Knutson Great book for expectant parents, irreverent and funny - not your typical baby care book. I highly recommend

This book is SO. FUNNY! We have three kids and it is hilarious to read through and remember all this stuff! Definitely purchasing for baby showers from now on!

From the comedian behind the popular parenting blog The Ugly Volvo comes a refreshing spin on the baby milestone book. Instead of a place to lovingly capture the first time baby sleeps through the night, this book shows what it's like the first time baby rolls off the bed/sofa/changing table, leaving mom or dad in a state of pure terror (it happens). These 100 rarely documented but all-too-realistic milestones—such as "First Time Baby Says a Word You Didn't Want Her to Say"—provide comfort, solidarity, and comic relief for new parents. Laugh-out-loud relatable text and distinctive paper-cut illustrations of these "bad" parenting moments make this a must-have book for anyone entering the mysterious club of parenthood.
