Many people feel that the work-a-day world is getting them down. They're the ideal audience for this tongue-in-cheek Mega Mini Kit™, which comes with a fun little book with suggestions for combating stress, plus a wind-up rat in a pinstripe suit, ready to take off around the enclosed racetrack. It's a unique desktop accessory sure to be appreciated by businesspeople of all stripes.

About the AuthorKatie Greczylo has edited a number of books for Running Press, including Miniature Editions such as Dashboard Diva and The Hula Dancing Kit. She is also the author of Welcome to the Rat Race and Body Art. She lives in Falls Church, Virginia.
