Geoff Tuffli : Werewolf Sonnets, Vampire Limericks and Zombie Haiku before purchasing it in order to gauge whether or not it would be worth my time, and all praised Werewolf Sonnets, Vampire Limericks and Zombie Haiku:

1 of 1 people found the following review helpful. Werewolves, Vampires and Zombies, Oh My!! By KellyA great little compilation of macabre imagery. Cleverly written and hilariously twisted. I Highly recommend it if you're looking for something short and sweet, yet dark and funny. Perfect for Halloween, sitting on the throne, or as a gift for that certain someone who's "not quite right." I only wish it were longer.

If the perfect poetical metaphor for a zombie is, as is popularly held, the haiku, what are the appropriate metaphors for werewolves and vampires? Obviously, sonnets and limericks. At enormous personal risk, the author has collected these works from a wide array of supernatural sources, often at considerable danger to his own bodily and spiritual integrity. Actually, that last part isn't true. He's been on their side since the beginning.

About the Author Geoff Tuffli writes fiction, political theory and poetry. On frequent occasion he has been known to hunt for and explore abandoned graveyards, train tunnels and other interesting places, but there is absolutely no truth to the rumor that he is preparing to set off a zombie apocalypse.
