TravelsI love this book. I will take it with me when traveling to the southwest to speak with fellow travelers. The designs are unique and appealingly creative. The characters are positive and always smile. The material itself is thoughtfully focused in the western genre. I love the fun it makes of cowboys and their lifestyles. I highly recommend this book and the previous No. 1 book, Redneck Zombie Jokes, for anyone in your family and friends. They are clean and fun. See if your children can figure them out. I will keep this with me in my car when I travel to entertain my driver and children. Enjoy it. I do and will for a long time.0 of 0 people found the following review helpful.
