More madcap travel chronicles from S.J. Perelman, heading west this time on a satiric romp from Hollywood to China, Singapore, Thailand, India, Egypt, and several luckless cities in Europe.

From Library Journal In these two volumes from 1977 and 1947, respectively, veteran New Yorker columnist Perelman relates in his signature humorous style his adventures traveling around the world. Westward Ha! also features drawings by Al Hirschfeld. Great fun. Copyright 1998 Reed Business Information, Inc. About the Author S J Perelman
