Rathje Dean, Rathje John : What I See: Rural Eastern Iowa Images Text before purchasing it in order to gage whether or not it would be worth my time, and all praised What I See: Rural Eastern Iowa Images Text:

Dean Rathje, and son John Rathje, have been studying the flora and fauna of eastern Iowa. Here are some glimpses of the country, most of them not visible from the main road, and close-ups of nature's intricate handiwork, along with light verse.

About the AuthorDean Rathje lives and works in eastern Iowa, where he owns and operates New Leaf Interactive Media, Inc. John Rathje is a senior in high school and specializes in floral close-ups.
