Richard Olson Olson : What Mirrors Do before purchasing it in order to gage whether or not it would be worth my time, and all praised What Mirrors Do:

0 of 0 people found the following review helpful. A Provocative and Sometimes Beautiful Mediation On Nearly EverythingBy Lawrence AmbroseI can't claim to be a skilled judge of poetry or poetic commentary, but this book surprised me. There is some legitimately beautiful, moving, incisive, and provocative writing. Sometimes it's too stream of consciousness for my taste, but even in the most mundane streams, something often startling and evocative emerges. It kept me reading until the end and proved to be quite a thought-provoking journey.

A collection of crazy thoughts, dreams, poems, ballads, one liners, deep thoughts, about love, life, death, or whatever. They've collected over decades. They can be moving, dark, deep, with attitude, personal, high energy, lyrical, humorous, philosophical, light and bouncy, comical or just plain silly.
