What's So Flinking Bunny?: The Spoonerisms and Misadventures of Tristram Throstlethwaite:

Young lecturer Tristram has a problem—if only he could remember what it was and how he got himself entangled in it. A laugh-out-loud book of misadventures, misunderstandings, muddles, mix-ups, and spoonerisms.

'In a meandering plot that owes a happy debt to Tom Sharpe's *Wilt*, Nightingale engineers moments of finely calibrated farce that will induce guffaws and even eye-watering laughter. Altogether, a root of a heed.' - *Metro*
'With its combination of light-hearted comedy and dissemination of fascinating facts, this book would make a perfect present for theatre buffs and more general readers alike'. - *British Theatre Guide*
'Laugh-out-loud yarn about an absent-minded prof...(Nightingale) delights in the joys of linguistic confusion' - *Hammersmith Fulham News*
