What's That Funny Look on Your Faith? is the first collection of Inherit the Mirth cartoons by Cuyler Black. A biblically inspired take on the lighter side of faith, its full-color panels showcase well-known Bible personalities like Adam and Eve, Noah, Moses, David and Goliath, Jonah, the wise men, Jesus, and the disciples. Playfully reverent, What's That Funny Look on Your Faith? features such off-the-wall moments as animals playing a prank on Noah and Jesus healing a man born without fashion sense. Young and old will find it laugh-out-loud funny and a great way to present the faith to those who think believers need to "lighten up!"

About the AuthorCuyler Black has over fifteen years of experience in youth ministry. His faith has influenced his love of cartooning, and the result is Inherit the Mirth, a line of greeting cards, calendars, and more. A native of Canada, Cuyler currently lives in Connecticut.
