**Bill Berger : What to do with a Dead Lawyer** before purchasing it in order to gage whether or not it would be worth my time, and all praised What to do with a Dead Lawyer:

2 of 2 people found the following review helpful. Bought it for a family member who is a lawyer, heard she keeps it on her desk!By lpenLove poking fun at lawyers ever since a lawyer I hired let my case fall through the cracks and I ended up losing. Sure he was paid off. Lawyers suck!5 of 5 people found the following review helpful. Collection of Political Cartoons that mocks LawyersBy Robert G SmithThis book starts out with a famous phrase from King Henry VIII of England about lawyers which is " First Thing We Do is kill all the lawyers ". The book is a side splitting collection of political cartoons about that to do with all the bodies after we kill all of them as King Henry VIII says. It will make you laugh so hard you will think that you are hurting yourself ! If you are totally happy with the present legal situation in the world and especially in the USA you won't find this book funny. If not get ready to laugh !Robert G Smith3 of 3 people found the following review helpful. a politically incorrect classic!By CustomerBill Berger is demented. A well regarded South Florida trial lawyer has written one of the funniest and bizarre send-offs on the legal profession ever!What to do with a dead tobacco lawyer? An ashtray would be nice? Written with wicked wit and drawn by Ricardo Martinez with a savage pen, this is the perfect gift for any lawyer with a good sense of humor, legal secretary or anyone unfavorably disposed to "the noble barrister."

Shakespeare said, "Let's kill all the lawyers!" But then what would we do with them? Find out in this irreverent send-up of the legal profession, featuring unimaginable and implausible comic depictions of formerly fully functioning purveyors of jurisprudence, their earthly remains put to farcical uses appropriate to their discipline, guaranteed, warrantied, certified, pledged, promised, ensured, endorsed, averred and attested to appeal to the funny bone of every client, litigant, opposing party and adverse witness who was ever ensnared in the labyrinth of the law, where practicing can be an end in itself. Whether it's a Dead Divorce Lawyer, a Dead Porno Shop Lawyer, a Dead Tobacco Company Lawyer, a Dead Civil Liberties Lawyer, a Dead Medical Malpractice Lawyer, a Dead Bank Lawyer, a Dead Union

Lawyer, a Dead Car Dealer's Lawyer, a Dead Products Liability Lawyer or a Dead Ambulance Chaser, you'll find a wacky use for your favorite Dead Lawyer, Attorney, Barrister, Solicitor, and Counselor in this compendium of laughable cadavers.

About the Author While on a bus with his mother in the 1950's on Miami Beach, young Billy Berger (1949) answered another passenger's question, "are you a native?" with "no, I'm Jewish." With a degree in philosophy (1972), his career goal of advising people whether they existed or not was sidetracked by the lure of law school and the practice of law as a trial attorney and judge. Bill has now come up for air and published "What to do with a Dead Boomer" and "What to do with a Dead Lawyer." Contact him at: [aBergerBook@gmail.com](mailto:aBergerBook@gmail.com)
