Wallster Pat Byrnes presents an outstanding book of cartoons that is just as rewarding and hilarious after multiple readings. Considering the high quality of these cartoons, the price is a steal. Highly recommended. 0 of 0 people found the following review helpful. Who the Hell Do you think you are? By Andre Thompson Probably one of the funniest books I own. What would my Christian contemporaries think of me if now if they knew I owned this book? Absolutely hilarious! 2 of 2 people found the following review helpful. One Helluva Book.. By Noobles Hilarious is one way to describe the cartoons in here. Especially the few "Adam and Eve" ones.. but youd have to buy this book to understand what I mean by that. Heh. The only reason I give it 4 stars is because I admit I didnt quite get atleast 5-7 of the cartoons. But thats only due to my ignorance in the subject that is joked about.

Whether you are an eternal equivocator or simply a person whose moral compass blows with the ethical wind,

cartoonist Pat Byrnes delivers a delightfully depraved new cartoon book. A devilish play on the over-asked (if you ask us) "What Would Jesus Do?" question, this hilarious and edgy book delivers a host of witty cartoons on ethics in today's society. The author himself would be the first to say we all like to think we know right from wrong, but in the heat of real-world moral decisions, things often arise to cloud our minds. From a doctor peeking into a patient's room to remark, "85 dollars just to poke my head through the door! Doesn't that make you sick?" to a minister telling his congregation, "I won't be giving a sermon today because you're all going to hell anyway," Byrnes's offbeat humor will delight anyone who has ever considered leaving a few (or all) of their morals behind. Byrnes offers guidance, too, to those still struggling with good and evil: "If you know what would absolutely be wrong, then you know that you absolutely should search in the other direction."
