Customer Sometimes books are personal opinions but not scriptural. This book was scriptural. It was interesting and held my attention. As a Messianic Rabbi, I daily look for books for our Ladies Club. We meet after Shabbat and have just began writing reviews to let readers know when a good book is available. I loved this one. 2 of 2 people found the following review helpful. Whatsoever Things are Lovely! Rhonda Rhea has done it again! By Susan L.

Reames Whatsoever Things Are Lovely: Must-Have Accessories for God's Perfect Peace Rhonda is gifted writer and speaker and like her other books, I can't put it down once I start reading. Rhonda has a way of weaving everything that happens in life in what you do, say, wear, eat, cook etc... into a learning and ministering experience of God's word. Written in such a way that you are rolling with laughter and warmly filled in God's love. 0 of 0 people found the following review helpful. A beautiful bracelet, stylish new scarf, or pair of sleek sunglasses--there's always room in a girl's closet for the perfect fashion accessory. But what about spiritual accessories? In *Whatsoever Things Are Lovely*, humorist and Bible teacher Rhonda Rhea challenges women to pursue those with the same passion that might be inspired by a blowout sale at their favorite department store. Pure things, holy things . . . lovely things. These are the life "accessories" that are must-haves, says Rhea. And using Philippians 4:8-9 as a springboard, she takes women on a fun adventure infused with practical spiritual truth about how focusing on those things can lead to more fruitful, more blessed, and more peace-filled lives. Includes a discussion guide, making it great for small group Bible studies.
