Scott Adams : When Body Language Goes Bad: A Dilbert Book before purchasing it in order to gage whether or not it would be worth my time, and all praised When Body Language Goes Bad: A Dilbert Book:

1 of 1 people found the following review helpful. if you like Dilbert you will like thisBy RossMore of the same..if you like Dilbert you will like this.. BUT these collections are getting to be a bit of a money spinner for Scott Adams as you get the same cartoons at times from other Dilbert collections. Pity we cannot get all new cartoons instead of part rehashes of past volumes. And Scott-sometimes your cynicism goes on overload-Dogbert was far better when he managed to retain some cuteness as well as a scheming nature!1 of 1 people found the following review helpful. Great for the Dilbert fan!By AaronI bought these for my brother-in-law who is a huge Dilbert fan. He loved them!0 of 0 people found the following review helpful. Four StarsBy Mark A SpencerAlways love Dilbert and had to get more.

"Dilbert is easily one of the most clever and consistently funny comics in current circulation. Like all great comic strips, it provides a much-needed daily dose of comedy and, most importantly, keeps its finger firmly planted on the pulse of truth while doing so." Some might think that the corporate scandals of 2002 could make it difficult to find anything funny about today's business world. But When Body Language Goes Bad proves it will take more than that to slow down the inventive wit of Scott Adams, who clearly is never at a loss for finding hysterical things to mock in corporate life.This marks the 21st collection of Adams' wildly popular comic strip, Dilbert, which is featured in more

than 2,000 newspapers worldwide. This book updates loyal readers on the so-called careers of Dilbert, Alice, Wally, Asok the intern, and other regulars as they wallow through pointless projects, mismanaged company takeovers, futile team-building exercises, and other inane company initiatives like the "name the rest room" contest. In addition to the strips' familiar characters, this collection showcases Adams' masterful ability to create hilarious "guest stars." There's the network design engineer known as Psycho Hillbilly, who was going for the gentle biker look until he decided it was overdone. Then, there's M. T. Suit, who is merely an empty suit walking the office halls spewing corporatese, such as "promising to enhance core competencies by leveraging platforms." Adams says that about 80 percent of his initial ideas come from his 150 million-plus readers. Those worldwide readers are sure to celebrate the humor found in *When Body Language Goes Bad*, his latest satirical look at the modern workplace.

About the Author What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay Area since 1979.
