Charlotte Hays : When Did White Trash Become the New Normal?: A Southern Lady Asks the Impertinent Question before purchasing it in order to gage whether or not it would be worth my time, and all praised When Did White Trash Become the New Normal?: A Southern Lady Asks the Impertinent Question:

9 of 9 people found the following review helpful. The Politically Incorrect Guide To Good MannersBy CustomerHays

makes completely valid points about the levels modern society has stooped to because we know longer have the collective will to sort our lives out properly and discern what is correct behavior from reprehensible irresponsibility. We have become a slovenly nation of ill-educated, ill-mannered rubes who have disdained our glorious cultural past in exchange for personal and immediate satisfaction, while also becoming slaves to the tyranny of political correctness. Thank God somebody had the class and courage to write it. Worth every penny.4 of 4 people found the following review helpful. Delightful read (and some FASCINATING, if deadly recipes)!By Kathylee JohnsonThis is a terrific commentary on the direction that civilization is headed, and Miss Hays doesn't pull any punches. I'm pretty sure that there isn't a politically correct bone in her body! The title says it all, so for those readers who picked it up thinking that they were going to have a light, humorous read - well, you just should have taken the title a little more seriously. And maybe those folks who were appalled by her insensitivity and straightforward observations should take a second look at the book. There are actually quite a few of us who agree with her!3 of 3 people found the following review helpful. Walk Down the Street -- This Book is Self-EvidentBy Joe S. KerseyThis book is hilarious and oh, so, true. Pace all you tattooed people out there.

Tattoos. Unwed pregnancy. Giving up on shaving...showering...and employment. These used to be signatures of a trashy individual. Now they're the new norm. What happened to etiquette, hygiene, and self restraint? Charlotte Hays, Southern gentlewoman extraordinaire, takes a humorous look at the spread of white trash culture to all levels of American society.

About the AuthorCharlotte Hays is the bestselling author of several books on Southern manners and cooking, including the smash hit *Being Dead Is No Excuse*. She is the director of cultural programs for The Independent Women's Forum, and a longstanding commentator on politics and culture known for her irreverent humor. Her work has appeared in *The Wall Street Journal*, *New York magazine*, and *The Weekly Standard*, and she has made numerous appearances on *To the Contrary*, *Washington Journal*, and *Politically Incorrect*.
