**Tony ", Toe", Newman : When Sarah Palin Came to Town: The Alaska Experience - Told in Cartoons** before purchasing it in order to gage whether or not it would be worth my time, and all praised When Sarah Palin Came to Town: The Alaska Experience - Told in Cartoons:

0 of 0 people found the following review helpful. Five StarsBy William Eggenwonder funny2 of 2 people found the following review helpful. Through the smoke and mediaBy Savvy HahnToe tells the story of Palin so non-political people want to understand (and easily do, thanks to Toe's writing and cartooning)the politics surrounding Sarah. Toe is relentlessly fair and usually quite kind in this, his "story of a politician, a city, a state, and events beyond their control." I recommend this book to folks who think politics are too complicated or uninteresting to get to know anything about. Toe helps the reader travel the highs and lows of Sarah's entrance into the spotlight. He exposes public figures' human sides so that we understand their motivation. He also masterfully conveys the public's response. Hopefully the politicians (they NEED to read this book) will hear their cry.1 of 1 people found the following review helpful. When Sarah Palin Came to TownBy JBMBIf you like Sarah Palin you will love this book, if you hate Sarah Palin you will love this book.

Toe was a political cartoonist living and working in Alaska's capital city when a little-known, small-town mayor named Sarah Palin began a run for statewide office. The satirical cartoons that would follow over the next several years would garner national attention and become a reader favorite. Here, along with those original cartoons, are many previously unpublished drawings, and reflections on how Alaskans reacted to Sarah Palin's and their own newfound celebrity.

"This book, containing far more insight than one might expect from a brief work heavily dependent on cartoons, is one of the few genuinely honest works on Palin currently available." --David James, Fairbanks (Alaska) Daily News Miner

"Toe has a gift for capturing mood and emotion in his political cartoons. This collection tracks Sarah Palin's political path and Juneau's uneasy dance with her from a local, personal perspective. His text offers a candid, conversational and remarkably astute romp through Alaska's recent history." --Rebecca Braun, Publisher/Editor, Alaska Budget Report

"Cartoonist Toe has found his muse." -----Juneau Empire
