Instead,I found myself having more fun finding all the other hidden celebs along the way! Every time I looked at a page and thought I spotted it all, I would find something hilarious, like Dolce and Gabana flipping pizzas lol! I can't wait to order more copies as x-mas gifts for all my friends!2 of 2 people found the following review helpful. lots of funBy Angela MThis is a very fun, tongue-in-cheek book. My husband and I have a silly fascination with Karl Lagerfeld, so this was very amusing to us. I bought it for laughs and it was pretty great. Not to be taken seriously, of course. Tons of "cameos" in here from celebrities and fashion world people...it's a hoot. Published in 2015 and will probably seem quite dated in just a year or two, but we enjoyed it. The illustrations absolutely "make" this book!!7 of 8 people found the following review helpful. Still Looking for Karl Lagerfeld (LOL)By A.
