Henry Beard : Where's Saddam? before purchasing it in order to gage whether or not it would be worth my time, and all praised Where's Saddam?:

1 of 1 people found the following review helpful. Not Very FunnyBy Zak F.This book really wasn't very funny. It wasn't clever, and the jokes were forced and obvious. Too bad. It had potential.4 of 5 people found the following review helpful. HilariousBy A CustomerThis is just a great book to give your friends. Apparently inspired by the Where's Spot pop-up book,the illustrations and pop-ups are very funny, and so is the narration. Is Saddam in...Hell?...Las Vegas? Our Prez, outfitted like John Wayne, in full western gear, is on a determined hunt. Even Republicans I know think it's funny.0 of 1 people found the following review helpful. GoodBy NikkiI would recommend this to anyone who is involved in politics and is looking for a laugh. The book is good.

Gotcha!Our President's on the hunt for the world's #1 evil-doer—and you're going with him! Is Saddam hiding with his secret stash of WMD? Was he abducted by space aliens? Has he retired to Boca?
