**Daniel Lalic : Wheres Bin Laden?: The Last Chapter** before purchasing it in order to gage whether or not it would be worth my time, and all praised Wheres Bin Laden?: The Last Chapter:

The first book met with controversy. But for all its controversy, it has a worldwide cult following and now the final chapters are here - Raid on the Compound and Hell.

About the Author Daniel Lalic is a freelance designer who recently graduated with a Bachelor of Design and Visual Communications from the University of Western Sydney. Daniel illustrated the best selling Where's Bin Laden? as well as the newly released Where's Elvis?
