"If you have ever stood at lands end near an open marsh or wooded swamp you know the feelings. The cupped wings of a flight of mallards, the screaming cry of an exiting wood duck or the tearing rush of blue-winged teal all cause the human heart to pound. Peace floods your soul and you stand in awe. Humbly you look skyward knowing that you are close to the heartbeat of God. it is something that is hard to describe, it needs to be experienced."
