William Nealy : Whitewater Tales of Terror before purchasing it in order to gage whether or not it would be worth my time, and all praised Whitewater Tales of Terror:

0 of 0 people found the following review helpful. Are you a Kayaker - this is mandatory! By Fredrik Feyling Great follow-up lecture after "Kayaks to hell" by the same author. Should also be in your bookshelf. 0 of 2 people found the following review helpful. humor can be silly By Pictureman I replaced an old copy that I had lost. I am a big fan of Nealy, but the humor here is not for everyone and a bit dated. OK it is definitely not Nobel quality or thesis material, but if you are into boating you just may get it. 9 of 10 people found the following review helpful. Groovy Paddling Satire Sequel By Darren You must be a paddler (or at least paddled once) to appreciate William Nealy's zany little collection of humorous sketches and creative cartoons. This collection includes unsolicited advice on paddling, epic adventures, another parody of outdoor equipment advertisements (SM River Supplies), the "SM Campfire Songbook" featuring the lyrics to "my Boat" (set to the music of "my Guy") and a host of other funny little penned paddling sketches and comics which, most likely, came right out of Nealy's river sketchbook. It's a groovy little book and another cool thing to pass around on camping/paddling trips to get some laughs by the campfire.

This best-seller is an outrageous, irreverent collection of cartoons, epic adventures, unusual new outdoor products, and unsolicited advice.

From the Back Cover Missing underwater for a year in the churning froth, William Nealy has reappeared with an all new cartoon-book perversion titled Whitewater Tales of Terror. A sequel to his best-selling Kayaks to Hell, Whitewater Tales of Terror is an outrageous and irreverent collection of cartoons, epic adventures, unusual new outdoor products, whitewater songs and unsolicited advice. Here is Nealy at his finest, turning the sport of whitewater paddling inside out, and demonstrating in the process the zany insight and humor which have made him one of America's most acclaimed sport satirists. (8 1/2 x 5 1/2, 120 pages, illustrations)
