**Kelly Brown : Who Flung Poo?** before purchasing it in order to gage whether or not it would be worth my time, and all praised Who Flung Poo?:

0 of 0 people found the following review helpful. Five StarsBy CustomerFunny book for kids and the adults reading it to them!

Three farm animals go on an adventure into the forest in search of the creature who flung poo at them. By journey's end, they'll learn the true meaning of friendship, and that getting covered in poo isn't always a bad thing. A hilarious "whoflungit" for children of all ages, and their parents who never really grew up.
