0 of 0 people found the following review helpful. It's and excellent read.By J.MIt's delightful to find a book that is scriptural but also very relatable. The experiences described in this book causes one to desire more of God and to follow hard after Him. The insertion of humor makes one realize that God is the creator of humor and that He Himself has a sense of humor. It's and excellent read.

Are you wondering whether there is more to your Christianity? Not that God is deficient in any way but that you personally, are somehow missing out of a vital component of your spiritual journey. Whether you call it vision, purpose or destiny, when tallied up the equation produces the same feelings of emptiness and longing. Despite the presence of good works and effective acts of service, echoes of a deeper walk keep whispering in the night; "Will you follow? Will you follow Me-anywhere I choose?" If you have had a stirring in your heart and a willingness to ask, trust and obey then read this book. Throughout its pages you will discover, as did one family, a God who is wild, not at all predictable but always faithful to those willing to risk crossing over to the other side with Him. The same Lord who led Israel through the wilderness by cloud and fire will lead you today. Be encouraged, He did not let Peter drown and if needed, He will rescue you or give you swimming lessons. Go deeper-and enjoy the ride of your life! Dr. John along with his wife Pina and son Jonah currently live in Ireland. Their older son Joseph intends to join them in the Emerald Isle. They are called to build and establish the Body of Christ and serve God's people. John received a doctorate in Educational Leadership from Oral Roberts University.
