Bill Hinds : Who Tracked Soccer Through the House ?: A Cleats Collection before purchasing it in order to gauge whether or not it would be worth my time, and all praised Who Tracked Soccer Through the House ?: A Cleats Collection:

0 of 0 people found the following review helpful. Lots of Fun By Ladybug in the Margin Great book to just sit down and enjoy! Excellent art work and soccer situations that provide an entertaining look at the game. The only disappointment was the cartoons were not in color as I've seen in other publications such as "Laws of the Game Made Easy". The only other "problem" is there are no additional books to get and relish. I know there are a lot more strips out there. That's a yellow "caution" card to the publisher to get some more books out! Don't make us send you to the Protest, Appeals, and Disciplinary "PAD" Board! 2 of 2 people found the following review helpful. Funny stuff. By A Customer Instantly identifiable to anyone who has kids in youth sports, Cleats is one of the most consistently "on the money" strips in existence. It's a great strip and a great book. 0 of 0 people found the following review helpful. As a youth Soccer referee... By J. B. Waggoner As a youth Soccer referee, I have seen everything you will see in this book. For real, At games, practices and so on. All of this is REAL!! Enjoy! Thanks Bill

Soccer is the hottest trend in years, and Bill Hinds's comic strip Cleats finds endless humor in the sport's rowdy but lovable players, coaches, and parents. Cleats follows the trials and tribulations of a thoroughly contemporary team:

Abby Harper, a competitive but kind 11-year-old on a select soccer team; Jack Dooley, Abby's 10-year-old neighbor, who's determined to move up from his recreational team to a select team; Armando "Mondo" Ruiz, a talented player who continues his family's tradition in the sport but prefers to remain on a rec team; Coaches "Bull" Tippit, a granite-jawed retired military man, and earnest Chester Nordling. Given soccer's soaring popularity, *Who Tracked Soccer Through the House?* A Cleats Collection is sure to score.

About the AuthorA soccer parent and coach himself, Bill Hinds also created, writes, and draws the cartoon feature *Buzz Beamer* for *Sports Illustrated for Kids*, which has been the most popular feature of the magazine since its first issue. Bill also has been the drawing half (with writer Jeff Millar) for the comic strip *Tank McNamara* for almost 30 years.
