By The Review If you have been wondering exactly where the Bible came from, and why it IS unbelievably credible, then this is the book you've been looking for! A great synopsis of the development of the most important book that humankind has ever known!

"Why should I believe what the Bible says?" "Isn't the Bible just like all the other religious books out there?" "I

wanted to tell my friends about Jesus, but when they asked where the Bible came from, I couldn't tell them." Ever hear people say any of these statements? Or maybe you've even asked yourself the same questions? **THEN THIS BOOK IS FOR YOU!** Whether you are nine or ninety (and everyone in between), with Cecile's humor and unique way of looking at life, you'll enjoy learning this vital information and give your faith a firm foundation. Cecile is a Christian entertainer and speaker. She has dedicated more than 35 years of ministry to not only entertaining people, but telling them of God's goodness, faithfulness, and saving grace. Now, in "Who Wrote This Thing Anyway," she educates people to the critical knowledge of where the Bible came from, why it's reliable, and why we need to pay attention to what it says. Cecile works with Clean Comedians, Los Angeles, Single Source Speakers, Nashville, and was a founding member of the Christian Comedy Association, which she still serves on the Board of Directors. She is the author of the popular comedy devotional, "Bee of Good Cheer."
