Kendall Almerico, Tess Hottenroth : Whoogles: Can a Dog Make a Woman Pregnant - And Hundreds of Other Searches That Make You Ask "Who Would Google That?" before purchasing it in order to gage whether or not it would be worth my time, and all praised Whoogles: Can a Dog Make a Woman Pregnant - And Hundreds of Other Searches That Make You Ask "Who Would Google That?":

0 of 0 people found the following review helpful. My entire family has been laughing at this book for ...By New B. GamerMy entire family has been laughing at this book for weeks. A lot of times, the authors' response to the searches are funnier than the searches themselves. If this book had a sequel, I would buy it.0 of 0 people found the following

review helpful. If you ever asked the question in the title, you probably won't like this book. By Blackblade Quite a few honest LOLs from this book, of course, I doubt it is anywhere near as funny, if you have actually tried to search/ ask any of the questions posited. 2 of 2 people found the following review helpful. A penny poorly spent By William Haas This was an extreme disappointment. As I only spent a penny plus shipment I shouldn't complain but if you want this kind of material go to the Whoogle's web page because after you have read a couple of items there you won't need or want to buy this book.

"If I use a tampon, am I still a virgin?" "How drunk am I?" "Can I catch herpes from my cat?" "Is it bad to make yourself throw up?" There's strange and then there's Google strange. People turn to Google to ask the questions they don't dare ask anyone else. This collection of unbelievable Google searches reveals the bizarre, ill-informed, and sometimes sick nature of everyday people. Whether it's researching how to manually force poop out of their body or wondering if jail is really that bad, this book proves that the truth really is stranger than fiction.

About the Author Kendall Almerico is a sports agent who has a penchant for publicity and media. He recently opened Almerico Consulting to provide businesses and individual clients with services including public relations, media coaching, video production, marketing, and business consulting. Tess Hottenroth is a legal and grant writer and is currently working on a book about her adventures in Africa.
