Will Ferguson : Why I Hate Canadians before purchasing it in order to gauge whether or not it would be worth my time, and all praised Why I Hate Canadians:

0 of 0 people found the following review helpful. Funny, at times laugh so loud
By Customer Tongue-in-cheek essays about life in Canada. Funny, at times laugh so loud, the dog jumps off the couch funny, but also serious at other times. Worth a read.
0 of 0 people found the following review helpful. Funny, entertaining, and informative
By Stephen FergI

felt like I got a better understanding of how Canadians think and feel from reading this book than I could get from any "more serious" book of history or guide book. I would recommend reading this in conjunction with "Canadian History for Dummies" which is also very entertaining and readable. It can add a little information/context to this book. 0 of 0 people found the following review helpful. Three Stars By DeeDee Enjoyed the satire.....needs to be updated.

First published in 1997, this hilarious book launched satirist Will Ferguson's career. Challenging the notion that Canadians are "nice," the book asks, "Do we as Canadians deserve a country so great?" Tackling subjects from Canada's favorite inbred royals to the mighty beaver as national icon, from sex in a canoe to all-Canadian "superhero" Captain Canuck, Ferguson rampages across the cultural landscape. The book also provides a fast-paced, opinionated overview of telling moments in Canadian history, including its run-amok Mounties and "fun-loving days" of the country's (unacknowledged) slave trade.

"A scathingly funny polemic." (Globe Mail 2007-06-05) About the Author Will Ferguson is the best-selling author of *Bastards and Boneheads: Canada's Glorious Leaders Past and Present*, *Canadian History for Dummies* and the tongue-in-cheek survey *Why I Hate Canadians*. His eleventh book, *Spanish Fly* was published in 2007.
