Randy Howe : Why I Hate the Democrats before purchasing it in order to gage whether or not it would be worth my time, and all praised Why I Hate the Democrats:

1 of 4 people found the following review helpful. By a Democrat who read this book
By Blue Dog
As a democrat I read this book to see what the other half are thinking and also to be able to come up with a quick retort to most of nonsense that comes out of the mouths of republicans. This book is a good mix of facts and quotes (although as a democrat i dont think most are true), and should give all you republicans a lot of ammo to use against the local lib as Z.D. said. By the way im a conservative democrat (yes we do exist) and i support the war in iraq and i am also pro-life for all you Z.D. Houghtons out there who think those things are reserved for republicans.

With the pithy help of such even-handed commentators as P. J. O'Rourke, Mark Twain, and Andy Rooney, wit meets history meets today's headlines as the character of the Democratic Party - not to mention the character of its ringleaders - is not only called into question but filleted like the dead fish it has become. Why I Hate the Democrats

serves up the nation's oldest, rankest political party in that most digestible of forms - the tongue-in-cheek diatribe. With a nose for pungent detail, Randy Howe dissects the fish with the grim resolve of the once-jilted, twice-shy while still - almost miraculously - dishing up a running commentary with all the verve of a hopeless romantic. With its generous seasoning of poetic license, *Why I Hate the Democrats* will leave you laughing as the Democratic Party is savaged, word by undeniable word.

O'Rourke, Mark Twain, and Andy Rooney, wit meets history meets today's headlines as the character of the Democratic Party - not to mention the character of its ringleaders - is not only called into question but filleted like the dead fish it has become. *Why I Hate the Democrats* serves up the nation's oldest, rankest political party in that most digestible of forms - the tongue-in-cheek diatribe. With a nose for pungent detail, Randy Howe dissects the fish with the grim resolve of the once-jilted, twice-shy while still - almost miraculously - dishing up a running commentary with all the verve of a hopeless romantic. With its generous seasoning of poetic license, *Why I Hate the Democrats* will leave you laughing as the Democratic Party is savaged, word by undeniable word. Randy Howe is an Independent who chooses his poker and golf buddies by how qualified they are and not by political affiliation. He lives in Connecticut with his conservative wife and liberal daughter. He is also the author of *Flags of the Fifty States and Their Incredible Histories*, *The Quotable Teacher*, and - in a nod to impartiality - *Why I Hate the Republicans*.
