Roger E. Allen, Stephen D. Allen : Winnie-the-Pooh on Problem Solving: In Which Pooh, Piglet and friends explore How to Solve Problems so you can too before purchasing it in order to gage whether or not it would be worth my time, and all praised Winnie-the-Pooh on Problem Solving: In Which Pooh, Piglet and friends explore How to Solve Problems so you can too:

0 of 1 people found the following review helpful. Best book ever!By Fred PhillipsChanged the way I thought about

problem solving, and I solve a lot of problems. I recommend this book to all of my students. I kid you not!0 of 1 people found the following review helpful. Great book for simple problems.By Larry CrabtreeThis is a great book for looking at ways to solve problems. Roger presents things in a simple down to earth method that is easy to grasp and use.1 of 2 people found the following review helpful. Wisdom.....By mastercard, richard espositoIf there is a need to teach or even think about philosophy, what better way to teach adolence and younger...enjoy the wisdom

On the heels of the popular Winnie-the-Pooh on Management, a companion volume outlines a simple, step-by-step procedure for effective problem solving, illustrated by the characters of Winnie-the-Pooh.

.com The Stranger, who appeared in Winnie-the-Pooh on Management, returns to the Hundred Acre Wood to explain to Pooh and his friends the SOLVE Problem- Solving Method, a step-by-step system of identifying, analyzing, and resolving problems. Pooh, and you, learn all the principles of practical problem solving, which can be applied as easily to rescuing Tigger from high up in a tree as to the many challenges that are part of today's complex business world. It really helps with Huffalumps. -- Piglet
