Christie and Dennis Fish saved England: The fight for Westminster (The debauched lothario chuckle trilogy) (Volume 2):

Dennis Fish, the enfant terrible of polite British society, bursts back into our collective consciousness in this hilarious, laugh a minute romp. Following on from the award winning spoof biography, also available in this format :- America Loves Bill Bryson, Sex, Pornography and Lothario Dennis Fish, this second instalment of the award winning Dennis Fish Trilogy has our hero chancing his arm at an audacious tilt to become an elected member for Parliament at the upcoming General Election. Aided by Texan 'pit bull' Bubba Zendowski, a brutal and battle hardened America political campaigner, who is head hunted to lead his team, Dennis, an instant Anti-Propaganda 'man of the people' launches his election bid in no less a place than the own backyard of incumbent Prime Minister David Chameleon. To further complicate matters, reptilian- faced, UQUIP master of the dark arts, Neil Lefarge is also standing on the same ballot, in the same West Oxfordshire constituency of Withey. The campaign kicks off cordially enough, but quickly disintegrates into a childish and spiteful battle, splattered with mischief, intrigue, criminality and riotous belly laughs. Strap yourself in as Dennis sprinkles big dollops of his usual buffoonery into the mix, resulting in a rich soufl of comedy gold that surely has never been surpassed in the murky world of British Politics. Can Dennis really be taken seriously as a would be politician ? Or will he be cruelly exposed by an establishment in fear of a popular public icon? Find out in this gem of a book that will grab your heart strings and reduce you to tears.....of laughter.

About the Author Darryl John Hazell, born on the 2nd of November 1963 is the creator of Dennis Fish. He is a full time second hand bookseller, trading at a number of outdoor markets and venues in and around his native Oxfordshire, where he seems far happier exchanging funny anecdotes with his loyal customers than he does selling his stock. The author felt compelled to write something funny, relevant and true, having been confronted by some truly appalling ghost written celebrity biographies amongst his inventory over the years. A blissfully happily married man for over 26 years and the stallion sire of four superior adult sons, the author writes from his own life experiences and maybe, just maybe, Dennis Fish is the man he has always wanted to be.
