Perfect Fathers Day gift!By Sonja NilesListen, Dads have scant time to sit down and read a tome about the philosophy of being a Dad, but these nuggets of wisdom can give them something to think about while they are transporting kids to dance lessons or sitting in the stands waiting for a T-Ball

game to get started. For the Dad who wants to be hands on.. and make a difference while he juggles a job, a marriage and the responsibilities of a "full frontal family".. Wisdom For Dad can give him a little something to chuckle about in the gaps.1 of 1 people found the following review helpful. Like Cliffs Notes for dads. Only easier.By Eric RaaschThis might just be the most user-friendly parenting book ever. Instead of the standard approach, Wisdom for Dad dispenses with the psychological development speak and cuts to the chase. Years of wisdom earned by dads of all walks have been boiled down to snippets of gold. Which is good, because it's way easier to recall and practice a one-sentence insight than a 30-page dissertation.0 of 0 people found the following review helpful. Awesome Book For Dads - New or VeteranBy JeffThis book is packed with great advice from various dads! Some humorous, some serious but all of them good nuggets of wisdom.I love how the author mixes in advice from dads on twitter with his on advice and experiences. New dads will find every page helpful, and veteran dads likely find new nuggets and be reminded of stuff they have forgotten! This would make an excellent fathers day gift, or a gift for yourself.

By accessing the social web and the power of the dad crowd, Wisdom For Dad cuts through the clutter to deliver brief, witty, snippets of wisdom every dad will appreciate. With 85K plus Twitter Followers (@dudetodad), popular author/blogger Hugh Weber delivers a terrific follow-up to Dude to Dad that again aims to help ordinary dudes become extraordinary dads. Given that dads today communicate primarily via texts, tweets, and Facebook status updates, Wisdom For Dad features a compilation of more than 100 of the funniest, most inspiring, and notable posts geared toward today's generation of dads to help them as they journey through fatherhood.
