Considering that they thrive on secrecy, mobsters have, over the years, proven themselves to be notorious gossips-even out-and-out blabbermouths. The fact is, mobsters DO say the darnedest things, and whether discussing business, women, food, death, sex, or "the life," you can always count on a mobster to spill it in an unintentionally funny, incredibly insightful, or simply terrifying way. With quotable quotes from both semi-literate stooges and the smoothest professionals who ever made headlines, this book speaks to the millions of people who are fascinated by the mob.

About the AuthorJerry Capeci is considered one of the world's foremost authorities on the Mafia and organized crime. He covered the crime beat for both the New York Daily News and the New York Post (and was the only newspaperman to sneak his way into Carlo Gambino's funeral in 1976) for more than 20 years. He is the co-author of Murder Machine, the terrifying saga of Roy DeMeo's bloodthirsty Mafia crew, and Gotti: Rise Fall.
