Capt. Nick Bates : With a Pinch of Salt before purchasing it in order to gauge whether or not it would be worth my time, and all praised With a Pinch of Salt:

0 of 0 people found the following review helpful. Captain Bates By Culture Vulture has compiled and written a delightful collection of oddities and explanations: any sailor -- cruiser or crosser or armchair -- will enjoy. 1 of 2 people found the following review helpful. Better than expected By Graham C. Hanson This is a great, fun little book. The Author's extensive professional sea experience and knowledge of maritime history combined with a light humorous touch add up to a very educational and enjoyable read. If you ever wonder where a lot of the expressions we use today are derived this book will answer a lot of your questions !

This little book, chock-a-block with the wit and wisdom of a Captain who came up through the hawse pipe to command one of the most famous vessels afloat, gives you the whole nine yards.

"A fun book for the whole family." -- Latitudes Attitudes, May 2006 "A lighthearted read, to be taken with a pinch of salt." -- Sailing S.A., March 2006 "A must for anybody who professes to know anything about sea and ships." --White Ensign Association, 2005/06 A delightful collection of stories explaining the origins of so many well-known nautical sayings and expressions told in a humoristic way and illustrated with clever cartoons. In many ways a companion to A Mariner's Miscellany. Being a maritime nation, so many of these expressions have entered into our every day language. A must for anybody who professes to know anything about sea and ships. --White Ensign Association, 2005/06

About the Author Captain Nick Bates was born and brought up in Northern Ireland. He obtained his 'Master's ticket' in 1975 and shortly afterwards was offered a position on board the luxury cruise liner Queen Elizabeth 2. Since that fateful day, he has remained with the Passenger Division of Cunard Line, and latterly with PO Princess Cruises.
