**Florence King : With Charity Toward None: A Fond Look At Misanthropy** before purchasing it in order to gage whether or not it would be worth my time, and all praised With Charity Toward None: A Fond Look At Misanthropy:

The unreconstructed people-hater offers her piece de resistance: a guided tour of the misanthropic life, and an inspirational handbook for Americans grown tired of "goo-goo humanitarianism and sensitivity that never sleeps."

"The only trouble with this book is that its covers are too close together."--The New York Times.
