Merrily Grashin : Women's Libation!: Cocktails to Celebrate a Woman's Right to Booze before purchasing it in order to gage whether or not it would be worth my time, and all praised Women's Libation!: Cocktails to Celebrate a Woman's Right to Booze:

The perfect mix of punny humor, feminist verve, and practical instruction, Women's Libation! is a cocktail guide for the lady who likes to shake things up (and not just her martinis). In it, Brooklyn-based illustrator and long-time

bartender Merrily Grashin toasts the feminist heroes who've come before us and the social movements that have helped shape us, honoring each with a delicious, imaginative cocktail. Beautifully appointed in a paper-over-board package with two-color interiors, each spread features an original illustration for every boozy beverage and a brief reflection on the historical figure, event, or movement in women's history on which the drink is based. With new twists on classic cocktails as well as inventive new libations, Grashin's recipes will educate you as you imbibe, including such gems as: Joan of Arc Stormy Emma Gold-Manhattan Ros the Riveter Mosc-N.O.W. Mule Margaret Sanger-ia Featuring 75 recipes that even the novice bartender can make at home, *Women's Libation!* is the perfect host gift to share at a party or to give to a feminist friend in need of some cheer.

Praise for *Women's Libation!*: Finally, a celebration of strong women and strong cocktails! How rare is the book that will educate you on authors, artists, philosophers, revolutionaries, and make you a better host? Lovingly hand-drawn and deliciously punny, Merrily Grashin's collection of enhanced classic cocktails and original artwork is a tribute to women - like Grashin herself - who inspire us to break all the rules.
