Barbara Graham : Women Who Run With the Poodles: Myths and Tips for Honoring Your Mood Swings

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Women Who Run With the Poodles: Myths and Tips for Honoring Your Mood Swings:

0 of 0 people found the following review helpful. Five Stars By Lilly Roth Loved this book, particularly Victoria Robert's cartoons. 4 of 5 people found the following review helpful. Timeless fun book By N. L. Sisson I bought this for my sister-in-law to read as a book to laugh with as she deals with chemotherapy. I loved this book years ago and it is still an excellent book help women laugh and reflect. 0 of 0 people found the following review helpful. This book is hilarious and a wonderful relief from all the self care narcissism on the ... By luannwilhelm This book is hilarious and

a wonderful relief from all the self care narcissism on the shelves out there. It leaves no self help general unoffended but lifts the heart and makes one cackle out loud. It does point out that once a person has figured out where their particular trauma or dysfunction came from, MOVE ON get help, work on it, but for God sake don't take yourself so seriously that life passes you by.

A guidebook for women who realize that poodles are superior to wolves--they know the importance of a good haircut--offers a program for finding your Inner Poodle that involves no goddess ceremonies, drumming, or screeching at the moon. 100,000 first printing. \$75,000 ad/promo.
