**David M : World's Best Dirty Limericks** before purchasing it in order to gauge whether or not it would be worth my time, and all praised World's Best Dirty Limericks:

Each of us has laughed a one or more of the classic "dirty" limericks. And historians have taught us that these limericks were a way to express feelings and thoughts that could not otherwise be said or written. Often they were passed from mouth to mouth since their publication might have meant imprisonment. Now comes David M., a successful and prosperous businessman with a totally modern limerick collection. They are, in effect, dirty limericks for our times. Yes, every limerick in this book is new. Every limerick was created just for this anthology. Some are graphic and shocking. Many are penetratingly hilarious. Others are belly-laugh witty and all are truly funny. There is no "stale bread" in this pantry. These are fresh creations, designed to delight your fancy and bring a smile to your face.---from the book jacket Illustrated with drawings by Sergio Aragones, a cartoonist and writer best known for his contributions to Mad Magazine and creator of the comic book Groo the Wanderer. Among his peers and fans, Aragones is widely regarded as "the world's fastest cartoonist".
