His gorgeous, hilarious, reality-bending photos pair Engledow with his daring daughter, Alice Bee, in situations that would make parents cringeif they werent laughing out loud, that is, said Parade.com about the bestselling book from which this calendar is so delightfully adapted. Each of the 12 darkly comic photos include Engledows droll commentary. The large format, 18-month wall calendar features grids with ample room for jotting notes and reminders. Also included are six bonus months of July through December 2016 as well as moon phases, U.S. and international holidays.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a

unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 400,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.
