Bought this book for my grand kids but I enjoyed it myself! Well done! It's going to be one of their favorites with a little moderation on my part. Some of the limericks are a little too mature for youngsters.0 of 0 people found the following review helpful. Lots of good limericks!By RedwoodHatThis book contains a variety of outstanding limericks from different authors. Excellent illustrations add an extra dimension to an

outstanding work.

Cat-crazy limericks and illustrated cartoons will have you laughing yourself silly. Put a smile on your face today and share that smile (and this book) with a friend. Be careful though...the book may never come back! Whether you love cats or hate them, you can't help but laugh as they get into all sorts of mischief in this book. It's great limerick verse combined with the perfect cartoon images. Great cat fun for the whole family! Get your copy today...and one as a gift!
