Mike Benny : World's Punniest Joke Book before purchasing it in order to gage whether or not it would be worth my time, and all praised World's Punniest Joke Book:

Did you hear the one about the kid who didn't like school? It was the principal of the thing. Or, how do you buy a hammer? By the pound. Hundreds of "Say it-isn't-so" wutticisms, "Did-you-hear's", "Pros Con", "Why Oh Why's", and much more cover every page. Put them together with the wackiest, wildest comic drawings, for hours of fun!
