K. R. Hobbie : World's Wackiest Lawsuits before purchasing it in order to gage whether or not it would be worth my time, and all praised World's Wackiest Lawsuits:

If you think people are suing each other for stranger reasons than ever, here's all the proof you need. These stories are all true and drawn from actual court records. Start with the one about the family who bought a house that turned out to

be haunted. And the young actor who sued a barber for cutting off too much hair. There are dozens more hilarious, weird, and wacky "frivolous" suits. 128 pages, 50 b/w illus., 5 3/8 x 8 1/4.
