I pick up whenever I need a laugh or a light moment.0 of 0 people found the following review helpful. Page 3By SusannaJust looked through the first few pages, and on page 3 the word statistically is spelled incorrectly. This drives me nuts, and it's hard to continue to read when there are such easily edited corrections available. Then I realized that the word may have been misspelled due to a quote. That being said, it seems like something that would be very useful in nursing facilities, since we are always looking for things of interest to read to the residents. When my facility spending limit lifts a tad, I will look into purchasing this book to give it a more complete read.1 of 1 people found the following review helpful. Great book for anyoneBy Amanda BearThis book really is great for anyone and makes a great gift idea. It is easy to pick up and put down at your leisure so it makes a great coffee/end table book and while its very funny and entertaining it is all in good taste and not offensive. I was given this book and will definitely keep it in mind for gift giving myself.

Will Stark and Roger Milligan have put together the best of all those hilarious, touching, moving and just about everything else you can imagine e-mails into this 272 page World's Funniest Greatest E-mails paperback book. This book makes a perfect gift for yourself or someone else. They have taken the best of the best over the last seven years

and categorized them into these easy to read chapters. Gender Humor Animal, Blonde, Church Humor Inspirational Drunken, Elder, Kids Humor Religion Something to Offend Everyone (and just) Hmmm. Put it on your desk for an easy quick laugh, or keep it in the bathroom for your daily inspiration and laughter. Whether you are 15, 55 or 105 this book has something for everyone. You just can't put this book down!
