He loves Would You Rather and we've never had any trouble with it before. In VERY small print on the back of this book it says 'Some Mature Content'. I cut out all of the inappropriate pages and less than half of the book is left and I had to black out some of the things on the pages that were left. DO NOT buy this for kids.1 of 1 people found the following review helpful. The Kindle version is better than the paperback edition. I have both.By Becky BuchkoThis not a fun game to play alone but this is a really fun book to read with your friends.0 of 0 people found the following review helpful.
