The pages are beautifully illustrated; some very detailed and others not so detailed. The pages are single sided, and there's also a sheet of paper in between each page, so markers don't bleed through onto the next picture. It's definitely a great coloring book and I'd recommend it to anyone interested in coloring. I've attached a competed page and some of my other favorite pages in this book! from amazingly intricate to stained glass-like, similar to the horse on the cover. Many of the pages have a great deal of depth to the composition, it's fun discovering the little things hidden in the backgrounds. I love that the artist is a Wyomingite and all of the wildlife depicted is truly Wyoming wildlife. I'm going to be ordering more of these to send to friends as gifts. 1 of 1 people found the following review helpful. Amazing coloring book! By Cyndi Klaus What a beautiful adult coloring book. I bought 6 for gifts. I have seen many adult coloring books, but none as professionally done as this one! Many kudos to the artist Lauri Kraft!

Wyoming Wildlife Adult Coloring Book. Adult zentangle art. Hand drawn the old fashioned way. Relax and color 19 different wild animals from the West. Grey-scale, I like the softness of it, let's your colors shine. Images in this book vary from minimal detail to highly detailed, perfect for markers and fine tip pens. and colored pencils. Each coloring page is on a separate sheet, and a blank page between each printed page for extra protection of your art! Wildlife art included are Mountain Goat, Mountain Lion, Raccoon, Trout, Bighorn Sheep, Pronghorn Antelope, Rabbits, Buffalo, Coyote, Elk, Moose, Grizzly Bear, Fox, Timber Wolf, Deer, Mustang, and Black Bear. Nature, the great outdoors, wild animals, landscapes, flowers, trees, mountains, rivers, lakes and streams. Let your mind wander. Relax, put your feet up, get lost coloring Western Wyoming Wildlife Art...make it yours...be happy.
