Patrick McDonnell : Yesh! (Mutts IV) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Yesh! (Mutts IV):

Even though I don't particularly care for dogs, and we don't own any pets, my wife and I are in love with Earl and Mooch and their friends. These treasures are pure gold. This is a combined review of a lot of annual and treasury collections, because essentially, they are indistinguishable. In the Mutts universe, nothing ever changes. That means you can buy ANY of these books and enjoy them in any order! The annual collections this review covers are Mutts (1996), Cats Dogs (1997), More Shtuff (1998), Yesh! (1999), Our Mutts (2000), A Little Look-See (2001), What Now (2002), I Want to Be the Kitty! (2003), Dog-Eared (2004), and Who Let the Cat Out? (2005). After 2005, Patrick McDonnell started publishing larger treasury collections instead of the smaller annual books. They are Everyday Mutts (2006), Animal Friendly (2007), Call of the Wild (2008), Stop and Smell the Roses (2009), Earl and Mooch (2010), Our Little Kat King (2011), BONK! (2012), Cat Crazy (2013) and Living the Dream (2014). Each has a year's worth of comic strips, and some other bonus things too. And yes we own them all! See the photo - we even have little Mutts dolls, including Mooch with his little pink sock. In each collection, we meet the same sweet animals, the same delightful children (we love Doozie and her "Bobbie Doll" car), the same eccentric grown-ups, the same familiar settings (like the seashore and my

favorite place, the Fatty Snax deli). We have the everyday adventures of a little dog, Earl, and a little cat, Mooch, and their friends. We also have recurring themes, like "Shelter Stories" to encourage adoption, the annual visit to the seashore to see Crabby the Crab and Mussels Marina, encounters with a bear trying to hibernate, the same birds working on getting their songs right, and attempts to tell the worlds about endangered tigers. We always keep one or two of these beautiful comic books on the bedside table. We're read them all many times (like Earl, they are dog-eared), and often look through a few pages every night. You can't get tired of them! If you follow the comic strip "Mutts" you know what I'm talking about. If not, well, you will love these books. So enjoyable and special. 0 of 0 people found the following review helpful. Mutts Rocks By Jami I love the Mutts characters, and this book was no exception! It's fun to hang out with Earl and Mooch for awhile. Their adventures and the characters they encounter make for fun reading.

"I love this cartoon Mutts!" -Brooke Shields to Jay Leno on The Tonight Show "People who view pets as family members will rejoice in this collection." -The Baton Rouge Sunday Advocate about Cats and Dogs: Mutts II Conventional pet wisdom says that there are cat lovers and there are dog lovers-and never the two shall meet. But if there's one thing the two sides do agree on, it's that they love Patrick McDonnell's charming strip, Mutts. Mutts has won the devotion of animal lovers and comics readers across the land. Fans love the charming humor the talented McDonnell provides, as well as his one-of-a-kind artistic style that stands apart on the funny pages. Yesh! features Earl the dog, his pal Mooch the cat, and the plethora of other lovable animal regulars who pop in and out of their lives. Few people could conceive what animals are truly thinking until McDonnell gave us the antics and adventures of Earl and Mooch. In one series of strips, Earl reveals what pets think when their owners are late arriving home: "I must ration my dinner...who knows how long it will need to last?...The day?...The week?...The next two minutes?" His buddy Mooch declares after becoming stranded on top of a tree: "I need to reassess my goals." The delightful personalities of McDonnell's animal stars have won the hearts and acclaim of readers the world over. Veteran cartoonist Charles Schulz called Mutts one of the best strips ever. The strip earned the National Cartoonists Society's Comic Strip of the Year Award in 1996. In 1998, McDonnell captured the Swedish Academy of Comic Art's Award for Best International Comic Strip Artist. Yesh! celebrates the subtle humor and unparalleled style of a strip that hearkens back to the classic strips of yesteryear.
